Dear Mr Rawlinson,

Thank you very much for your kind help during my visit to Florence yesterday. I very much enjoyed this, thanks to the smooth arrangements, which made it possible both for me to get through the business and see something of Florence's treasures in the space of a very brief visit.

With best wishes,

Yours sincerely

Dear Squadron Leader Jewell

Thank you so much for the very comfortable flights to and from Pisa yesterday on my visit to Italy.

The efficiency and service, as always, were excellent and I should be glad if you would pass on my grateful thanks to all the crew members.

With best wishes,

Yours sincerely
Raymond Storer
