THE PRIME MINISTER

Dear Mr. Chung,

I very much enjoyed meeting you during my brief visit to Korea and would like to thank you most warmly for the beautiful porcelain ducks. It was most kind of you to present me with them and they will be a happy reminder of a successful visit to your country.

With best wishes,

Yours sincerely

"You make me feel so
young"

Could you get a
new version typed so
that the PM can
sign it to "Chung"? I
suspect this needs a
slip of the pen — all
the other Korean
letters were signed
off perfectly

THANK YOU LETTER FROM PRIME MINISTER

1. We spoke. The attached letter to Mr Chung Se Yuug has been signed incorrectly. It should be to Dear Mr Chung, rather than Dear Mr Yung. To send it as it is will look odd and I think make a bad impression. Mr Chung, by the way, was awarded a honorary CBE in 1983.
