Rabbi Porush telephoned to request a meeting with the Prime Minister. He is a member of the Israeli Parliament. I took a message and spoke to Mr Fuller who agreed that there could be NO meeting. When I told Rabbi Porush he asked for the following message to be passed to the Prime Minister:

On behalf of the ^{AH} AGUDAH ISRAEL ORGANISATION LEADERSHIP in England a request to the Prime Minister to take attention of the serious propoganda against the slaughtering according to Jewish law. Can we prevent this propoganda and bring a law against slaughtering according to Jewish law.
