THE PRIME MINISTER

Dear Squadron Leader Jewell,

I should like to thank you and your crew for the traditional comfortable journey and excellent service to and from Norway.

I know that Mrs. Brundtland was also very impressed. I am sorry that the return journey was disturbed by the bomb threat, which delayed your return to Brize Norton. But once again thank you for everything which you and your crew did.

Yours sincerely,

Margaret Thatcher

Squadron Leader P. M. Jewell
