Could you very kindly check
a couple of points:

(i) on Saturday, after the
Sutton's lunch, will Mr. Thatcher want
to return to Chequers or come
straight on up to London with the PM.
We will have a second car, so he
can do whatever he wants.

(ii) is Mr. Thatcher intending to
accompany the PM on her visit to British
Fran Geney? 17-9-86 It doesn't seem to me a

particularly good ~~idea~~ idea, because the
PM will be accompanied by
Chancellor Kohl & DT will be a
bit fifth-wheelish. And anyway he won't
want to go to Bonn for the
bilateral summit the day before. But if
he actively wants to come, he is
of course extremely welcome. Could you
find out, please, what he wants to do?
