But A + B on attached file may jog your

Mr. Cloke
Cabinet Office

(below) Your minute ref A086/2844 of 9 October.

I have looked through all the papers we can find covering the events mentioned in your minute.

1973 . As regards the Blunt affair, Sir Robert Armstrong saw papers
1974 . on this in February and March 1983 (when they were shown to Mr. Edward Heath) and in July 1984 (when they were shown to Lord Wilson).

We can find no record on our files of Mr. Peter Wright speaking or writing to Sir Robert about the succession of Jones to Hanley as DGSS. I will get Mr. Wicks to check the papers in his cupboard when he returns from Bournemouth. X

Y | We cannot find any papers relating to Hollis earlier than 1977. This seems curious to me, and I am having a further search made.
