LANDING FORCES UPDATE AS AT 110815A JUN

Tim Donkin gave me the following this morning:

a. Casualties.1. Hard copy on the landing force casualties is now as follows:Killed or missing presumed dead 43  
(39 from 1 WG, 2 RE and 2 others)167 Injured, 212 uninjured, Total 379 survivors  
50-60 serious - 100 light, expect RTD.2. Not hard copy but also believed to be killed or missing a further 4 RM and 3 Army. If so the total dead or missing from the Galahad incident would be 50.3. <sup>Crew</sup>Tristram <sup>believed</sup> to have sustained no casualties; ~~Tristram crew~~ Galahad crew much lower than feared probably 3 officers and 2 Chinese crew.4. LCU. F4. Confirmed 6 RM/RN killed.5. All landing forces casualty noticas action completed.

6. Today's Daily Express carries an article that Sgt Hunt of the SBS was killed in action having been shot by own forces. Northwood has officially denied that he was shot by own forces, but regrettably it was true. No details known.

b. Intentions

CLFFI was due to signal his intentions last night, but it is now hoped that Col Dunphy will speak to Brigadier Walters this morning.
