

NOTE FOR FILE

The SPP discussed with the today
the possibility of presenting Panting for prosecution.
The case is a case of a road block report

- which should - that Panting had advised of his trial
(a) that a last contacted Tom Dalgell
before the committee with him to see
devised; high expected a TV programme
(b) that since high expected a TV programme
for P's, requested that P had previously
(i.e. before the office in another) written
arrangement to Dalgell, saying he
pursue other lines of inquiry.

It was agreed that the matter should be
pursued. One line of inquiry should be
a presentation of the alleged property
to the public "tent."
