OK 1/12.

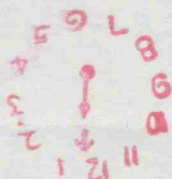

I thought that you would want to know that we will be publishing our London Regional Transport Bill this Friday, 2 December and hope to have its second reading before Christmas.

It is obviously crucial to get this important measure off to a good start. I have therefore asked our two Parliamentary Private Secretaries Angela Rumbold and Robin Squire to be available with Central Office briefing for London members. So may I suggest that you make contact with either Angela or Robin before Friday, so that they can arrange for you to have briefing for the weekend.

*Yours ever
