

*Prime Minister*

Ref. A086/3460

PRIME MINISTER

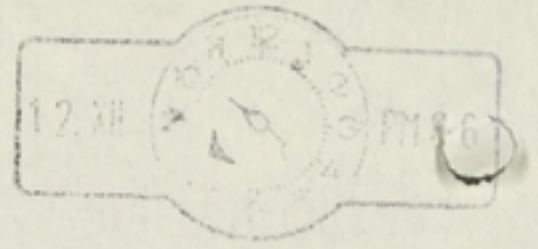

Lord Rothschild has asked me to let you know that for the last month he has been in considerable pain in his leg, suffering from claudication. He has gone into hospital, under an assumed name, to have it dealt with.

2. He was anxious that you should know about this, because he feels that this trouble may have contributed to his feeling of intense harassment over the last two or three weeks,

*RA*
