SUBJECT:

Thank you for sending me a copy of the memorandum Chief Buthelezi left with you on 30 April. Chief Buthelezi has ^{as always} some interesting things to say about the situation in South Africa, ^{I find his comments on} and his memorandum addressed to you speaks ~~constructively~~ of the need for peaceful negotiations, while ^{and on the damage done by} making clear that further international sanctions will ^{to} only harm the interests of his ~~own~~ people. ^{people very much to the point.}

^{and are that we should}

I believe that those of us with a role to play - and Chief Buthelezi places much store in the contributions which France, Britain and other European governments can make - should continue to support the hopes of black South African leaders like Chief Buthelezi for a non-violent solution to South Africa's problems.
