Dear Charles,

I will be seeing Pik Botha on Tuesday and will report after that. But whether or not it is decided to send some emissary, I hope that the Prime Minister will send a written message to P W Botha immediately after her talk with Buthelezi. The two key issues are Mandela and Angola. I have sent the FCO the attached advance draft. I will send further telegrams about the scene here before Buthelezi arrives.

Yours ever,

Robin
