Dear George,

COP  
26/7.

**THE TYPE 23 PROGRAMME**

Thank you for your letter of 18 July.

It was helpful to have your thinking set out on the Type 23s. I am quite content with the draft reply to the HCDC Report.

Looking to the future, we are moving forward on the basis set out in my letter of 11 July. Our officials have discussed the scope of the work to be done. I am grateful for your agreement that my officials can be exposed to relevant operational analysis.

I am copying this letter to the Prime Minister, the other members of OD, David Waddington and Sir Robin Butler.

Yours Ever,  
John
