Dear Lyn

POSSIBLE SOUTH AFRICAN ACCESSION TO NON-PROLIFERATION TREATY

Thank you for your letter of 8 August about the South African approach to the Nuclear Non-Proliferation Treaty. I think that the Prime Minister will be content with the line set out in paragraph 6 of your letter.

I am copying this letter to Stephen Haddrill (Department of Energy), Neil Thornton (Department of Trade and Industry) and Brian Hawtin (Ministry of Defence).

Yours sincerely
Charles Powell
