

Helmut Kohl II

① People want to hear
voice of Europe
in its political aspect
Tories must make this
clear.

② Point of substance.

Where does FRG stand?
Is their Europeaness kept
diminished?

No - that's the view of
the majority.

With most decisions that friends
would not have happened
FRG is European

③ Happened because of P.S.G.
this policy

His problems have increased

Our interest is that peace works
be successful

What further help to Hungary

Poland - united for reform
Tanszke IMP. by end year

① What should be asked I
or what not

② Should we give aid ^{things}
before democracy? ^{spoke} Yes

③ Should democracy
be made inevitable

④ ? Borders ? No

What should be done
in practice

① Atlantic - contacts with
2nd countries in
Africa, countries,
EFTA countries

Procedure ? Parade - (Tories)
People will need to eat

W

Date for Elections must be
No criminal prisoners
Proper criminal code
~~Those~~ Prisoners must be
released.

No discussion about borders
Am not going to do so.
Govt. - PRC must determine
own jobs themselves
how to move towards
a united nation
Future of Germany must
be decided.
Can't be solved against
Europe.
Right to self-determination?
Will decide by their decision

Fed Rep G. will never
accept that there are less
incentives in Poland & others

ARM required.

Do not wait
Poland is such a European
And now.

GDR - But I can have
no real idea of what is
happening - 3rd comes
to GDR on visit,
40 mile long border from
November - 200 km - border
solid.

New York says.

will need to go further
Fewer people want to leave
- previously young started left
Krus - Warsaw is P's best model
Must not disintegrate GDR
Will continue to give aid
in every area - road network
environmental telephone network
these things 'not receiving' but
to human rights
GDR, we IRPA. ROK receiving

J. Andreotti - Denouement -
What are chances of failure?
Ready to send whole hand to Poland
but haven't organization to cope
Back to organized investment
Something to help in organization of aid
Military matters in hands of Allies

Further importance to CSCE conference
(related to rank borders)

This conference has global approach
U.S. knows European countries
Should do themselves agreement

The Sander - great ^{and} for
Helmut's position.

Europe nothing to fear from
democratic Germany

Aid - must go further. Belated and
Contingent new with ^{E.I.B. would} ^{tele. line} ⁱⁿ ^{present} ^{time}

Wonderful to hear
words of sympathy

Greeting to Europe today

Task Force to consider - coordinated
by Commission.

Greece

X

Do not interfere with Military
matters - leave N.A.T.O. Don't talk
adding on shedding members in
any of these two alliances

Practical way - ? Bank? A
good idea - details have
to be discussed.

Proper European solidarity
Protein whole world
Pursued by U.S. System
etc.

Greece join along with
and for Eastern Europe.

- 1 Hungary
- ① Provide sharp
criteria to respond
 - ② Aid - not to be used
to prop up old regimes
but land want for full reform
 - ③ Equal emphasis on civilians to persecuted

Greece

R

Supported to Civil War
at end of war
Only example in postwar
era of country able to
withstand communism without
any outside help !!!

If Europe does not safeguard
own ideals - situation would be
very different.

Unity of Europe which saves present situation

1. Add voice of Greece

EEC. should adopt position with
regard to help to Eastern Europe countries
Poland - most important

Hungary - we must help.

All this is inevitable.

Do not wait until full democratization
Exercise some caution
because of the 4 factors

"Continued forces still exist there
Must be early to start talking about Greece
They state as they are, Helsinki agreement
