Herr Genscher

We discussed the possibility that Herr Genscher might call on the Prime Minister during one of his visits to London. The Foreign Secretary explained to him that it would not be possible to see the Prime Minister when he was in Britain yesterday and he quite understood.

Mr Hurd and Herr Genscher agreed to meet again in Britain before the summer break. We have not yet put dates to Herr Genscher's office but the Foreign Secretary has it in mind to invite him to Chevening on Sunday 29 July and to take him to Glyndebourne that afternoon. I wonder if the Prime Minister might be free to see Herr Genscher on Monday morning, 30 July, before he flies back to Germany? If so, we will then put dates and times to Herr Genscher.
