

HOUSE OF COMMONS,
LONDON SW1A 0AA.

Andrew

The PM cannot go to the
tea room before 6pm and
I should go to the 1922.
Cranley wants to see me after
the 1922 & I will then
return to report to the PM.
She could then go to the
tea room or smoking room
for a drink (or tea) before
the vote at 7pm.
Could you explain this?

Mark

The party is very supportive
of her performance this
afternoon but feel that
Nick Ridley has let her
down badly. The whips
are however going to try
to organize a calming
question at the 1922
