Dear Charles

1. I last called on the Prime Minister in March and I would be most grateful if I could come by for a few minutes in November. There will be much business to do with the Germans in the coming months.

2. I could come to London on 1, 2, 5, 13, 15 or 16 November. Later dates are possible too, but it may be preferable to fit this in before the CSCE Summit.

*I hope you are well and enjoying
life - and Carla too.*

Yours age
