BAA plc PRIVATISATION : MINISTERIAL STATEMENTS

John Moore's letter of 24 April to you and other members of the Cabinet outlined the guidelines to be followed when referring to any matter which may be material to BAA plc or the share offer in the run-up to the flotation and also issued guidelines on the purchase of shares.

Now that the election is over and we are very close to the flotation may I take the opportunity of reminding colleagues of the necessity of following the guidelines set out in that letter, a copy of which is attached.

I am copying this letter to the Prime Minister and to all other members of the Cabinet. I should be grateful if they would again circulate it to Ministerial colleagues within their Departments. I am also copying it to Richard Luce and to Sir Robert Armstrong.
