PRIME MINISTER *Peace*

Alan Walters will be over here from the afternoon of 30 June to the evening of 1 July and would very much like an hour with you. He would probably be at his best on Friday 1 July. You could see him then if you came back to No.10 after seeing the Chiefs of Defence Staff and before going on to Chequers.

Do you wish to? If so, I will fix a slot early on the afternoon of Friday 1 July.

*Yes
